

# Via Christi Clinic aesthetic menu of services

## Calming facial .....\$75

This soothing one-hour facial is perfect for dry, flaky, dehydrated skin. Sensitive and post-procedure skin will also benefit. This facial is designed to reduce redness and suppress skin inflammation and irritation while providing powerful antioxidants.

## Hydrating facial .....\$75

This rejuvenating one-hour facial helps dry, dull or dehydrated skin and is designed to re-energize, nourish, plump and firm aging or sun-damaged skin.

## Purifying facial .....\$75

This clarifying one-hour facial for oily or acne prone skin uses cooling menthol to cleanse, soothe, restore and calm irritated skin.

## Illuminize peel .....\$75

A 30-minute noninvasive superficial peel that provides increased skin glow and radiance. This peel tightens and restores youthful appearance. Skin color, clarity and texture will improve with little or no visible peeling. This gentle procedure is the perfect introduction for first time chemical peel patients.

## Vitalize peel .....\$120

A 30-minute superficial peel for mild to moderate skin conditions designed to diminish sun damage, fine lines, wrinkles, pigment irregularity, acne and acne scarring. Results are noticeable after just one peel with very little down time. Peeling generally starts 48 hours after treatment and lasts two to three days.

## Rejuvenize peel .....\$160

A 30-minute superficial peel that penetrates into deeper layers of your skin to improve acne, acne scarring, melasma and hyper pigmentation. This treatment smoothes the appearance of fine lines, wrinkles and rough skin textures. Peeling generally starts 48 to 72 hours after treatment and lasts three to five days.
